OVERVIEW

The AES Corporation (NYSE: AES) is a Fortune 500 global power company. We provide affordable, sustainable energy to 15 countries through our diverse portfolio of distribution businesses as well as thermal and renewable generation facilities. Our workforce is committed to operational excellence and meeting the world's changing power needs. Our 2017 revenues were \$11 billion and we own and manage \$33 billion in total assets.

OUR MISSION

Improving lives by accelerating a safer and greener energy future.
