

Dayton Power and Light Smart Thermostat Rebate Terms and Conditions

January 1, 2018

Refer to the information below to ensure you are eligible for the Dayton Power and Light (DP&L) Residential Smart Thermostat Rebate Program.

Incentive Offer

This offer provides rebates for the purchase of new, installed qualifying products and is not dependent on the purchase of any other product or service unless indicated. The rebates on this form are available to residential homes or residential rental buildings of 12 units or less with electric service in DP&L's service territory. DP&L rebate cannot exceed the cost of the equipment or service. Equipment must be purchased, installed and operational between January 1, 2018 and December 31, 2018. DP&L reserves the right to alter or discontinue the rebate offer at any time without notice. Rebate funds are limited and are available on a first-come, first-served basis.

General Eligibility

For a current list of qualifying equipment, visit dpandl.com/thermostat. Applicants must have an active DP&L residential electric account. Equipment must be installed in the DP&L service territory and at the premise address of the account used for validation.

Compliance

All projects must comply with applicable federal, state and local laws and regulations, including building codes, and manufacturer's specifications. All equipment must be purchased new and cannot be resale equipment, new parts installed in existing equipment or equipment that is leased, rebuilt, rented, replaced by a warranty or won as a prize. Existing equipment must be removed or permanently disconnected.

Application Delivery

A complete, signed application and itemized invoices for materials and labor must be submitted at the address located on the cover page of this application within 60 days of project completion. The invoice(s) must indicate the date of purchase, size, type, make, model and total project cost. Receipt of an application does not guarantee payment of a rebate. DP&L will pay only one rebate for each eligible product installed. Please allow up to six (6) weeks to receive your rebate. Incomplete applications will not be processed. Failure to provide supporting documentation will be considered an incomplete application. Please keep a copy of your application and supporting documentation for your records. For instant rebates provided for purchases made through the Nest.com online retail site, no application or supporting documentation are required in order to receive the rebate.

Account Number

I authorize the use of my DP&L account number and any information provided on this form for use in program administration and evaluations.

Post-Installation Survey

I agree I may be contacted to complete an online or phone survey for program evaluation purposes.

Verification

DP&L reserves the right to verify sales receipts and/or installations of products before issuing rebates. A random survey or inspection by a DP&L representative may be conducted to verify installations. Making false statements on any DP&L rebate application is punishable by law. Any and all funds determined, in DP&L's sole discretion, to have been acquired on the basis of fraudulent or misrepresented information must be returned to DP&L. DP&L reserves the right to refuse payment and participation if the signatory(ies), applicant(s), customer(s) or contractor(s) violate program rules or procedures.

Tax Information

Rebates may be subject to federal and/or state income tax reporting. Applicant is responsible for contacting a qualified tax advisor to determine tax liability. If you purchase an energy-efficient product for your home, you may be eligible for a federal tax credit. Visit www.energystar.gov/taxcredits for more information. DP&L is not responsible for any tax liability imposed on the customer as a result of the payment of incentives.

Customer Information and Energy Savings

DP&L reserves the right to disclose your account number, federal tax ID or social security number and consumption data to its subcontractors for the sole purpose of administering DP&L's energy efficiency programs. Subcontractors are contractually obligated to protect the confidentiality of this information. DP&L reserves the right to receive information from Nest regarding your Nest account, including, but not limited to, serial number, Nest account activation, and information pertaining to your HVAC system. By receiving this rebate, customer is assigning the value of any related electric and or EE/PDR savings to the electric utility, including any PJM Interconnection, LLC capacity auction bidding rights. Customer acknowledges DP&L will exchange all customer information collected through this application for purposes of rebate processing.

Publicity

DP&L reserves the right to publicize your participation in this program, unless you specifically request otherwise.

Logo Use

Customers or contractors may not use the DP&L program names or logos in any marketing, advertising, or promotional material without written permission.

Disclaimer

DP&L does not guarantee that energy efficiency measures purchased and installed or services provided through this program will result in energy and cost savings. DP&L reserves the right to deny or limit any rebate request. In addition, no warranties on product or service installations are provided by DP&L, nor does the program warranty, guarantee or endorse the energy efficiency services provided by any specific contractor participating in the program.
