

New instant discounts on door sweeps and water heater pipe wrap at Home Depot

When installed at the bottom of your exterior door, door sweeps can lower your heating and cooling costs and protect your home from outside noise, moisture, dust and insects.

Wrapping your water heater pipes can lower your energy costs, give you hot water more quickly, and protect against corrosion and pipe bursts.

- 1 Visit your nearby Home Depot location and find the qualified door sweeps and pipe wrap, marked with a DP&L sticker
- 2 Receive the discount at the register, just like it's on sale
- 3 Install your door sweeps and pipe wrap
