## YOU HAVE THE POWER to provide emergency relief to your Ohio neighbors.

*Anyone can get behind when bad things happen. The loss of a job, major medical bills and other financial hardships can come out of nowhere and make it impossible to keep up. DP&L and The Salvation Army would like to help lighten the load with the Gift of Power program.*

*DP&L will provide \$165,000 this year toward the Gift of Power funding. This funding, along with your donations, will help struggling families maintain or restore power during winter months. Help us pay it forward and warm their homes and hearts.*

*If you would like to donate to Gift of Power and help a neighbor in need, please make a check payable to The Salvation Army and mail it to: The Salvation Army, c/o Gift of Power, 1000 N. Keowee St., Dayton, OH 45404. **(Please do not include a check with your bill payment, as your donation should go directly to The Salvation Army.)** You can also donate by going to [dpandl.com/gift](http://dpandl.com/gift), scrolling down and clicking on "Donate Today."*
