

Smart Thermostat Rebates for Your Home  
Program Terms and Conditions

**Account Number:** I authorize the use of my DP&L account number and any information provided on this form for use in program administration and evaluations.

**Customer Eligibility:** I agree to the following: I am a current DP&L residential customer; I purchased and installed a new qualifying thermostat between March 1, 2017 and December 31, 2017; the offer is available while funding is available; limit two rebates per household; I must apply for my rebate while funding is available; the rebate value will be limited to the purchase price; DP&L will pay only one rebate for each eligible product installed. If submitting a rebate application form, form must be postmarked within 30 days of the purchase date.

**Performance of Thermostat:** I agree that DP&L is not responsible for the performance of the thermostat purchased and installed. DP&L is not responsible for any damage that may occur from the installation of the thermostat.

**Post-Installation Survey:** I agree I may be contacted to complete an online or phone survey for program evaluation purposes.

**Commitment of Savings:** I agree that by receiving this rebate, I am assigning the value of any related electric and/or EE/PDR savings to DP&L, including any PJM Interconnection, LLC capacity auction bidding rights.

**Only For Customers Who Purchased a Nest Learning Thermostat™:** I agree that DP&L reserves the right to receive information from Nest regarding my Nest account, including, but not limited to, serial number, Nest account activation, and information pertaining to my HVAC system.
